

NOTES & PARAMETERS:

Course has been measured in accordance with USATF requirements using the Shortest Possible Route (SPR) Method, to within 12" of all curbs, centerlines and defined road edges consistent with the following restrictions:

1. On Martins Run Road runners shall generally keep in the northwest-bound traffic lane (keeping the southeast-bound traffic lane open for emergency local traffic, fire and ambulance use (except the runners will turn right around a Traffic Cone on the center line of Martins Run just northwest of Jonathan Morris Circle to enable them to enter that counterclockwise loop.
2. Upon leaving Jonathan Morris Circle, runners will turn right around a Traffic Cone in the center of Martine Run and remain within that northwest-bound traffic lane until and after the turn around Turnaround #2, before re-entering Halcyon Drive.
3. Opposing runners in the northwest-bound traffic lane shall keep right of oncoming runners.

Elevations are relative, as observed using Google Earth.com and are expressed in meters in accordance with current USATF protocol.
